

ANNUAL REPORT Session- 2023-24

A very warm and rejuvenating morning to our esteemed guests, members of management, worthy parents and my dear students

“leadership and learning are indispensable to each other.”- John F. Kennedy.

Human life is a continuous process of evolution that incorporates reformation for regeneration and upliftment of the society. And the children who are the youngest members of this human society can very efficiently contribute their bit for making a better world as ***if you can dream it, you can achieve it.***

St. Froebel School is a co educational institution founded in the year 1985 and is affiliated to CBSE. We at SFS focus more on learning which is experiential, expeditionary and experimental. Today SFS is a thriving Co-educational institution with its presence felt in Delhi.

“Believe in yourself, have faith in your abilities with confidence in your own prowess,

Take on your challenges, dig deep within yourself to conquer fear.”

Our SFS family constitutes of 2181 students, 96 teachers, 19 admin staff and 57 helpers.

It gives me immense pleasure to announce that in the rating of West Delhi schools, our school stands at the fifth position.

OUR VISION

Our vision is to deliver a world class Education that encourages “4C”- Collaboration, co operation, communication and critical thinking.

- ➔ We hope to make a big difference in the lives of tomorrow’s leaders. We have always created an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of a child’s personality. For an effective teaching, learning process, we have an ideal student teacher ratio. We embrace new and effective methods of learning. We have spacious and well lit class rooms, modern and equipped labs. We hold regular counseling sessions for our students. These sessions help them to focus on the weak areas. Our teachers attend regular CBSE workshops, which help them to get trained according to the latest education policy.

We believe in making Global citizens. Our students have interaction with the students of foreign schools through video conferences. This makes them confident and helps them learn beyond books.

The disaster management committee of the school organizes the mock drills on regular basis in order to prepare students for any unforeseen natural disaster. We organize regular medical checkup camps in the school for both students and the staff.

Safety and security of our students is our utmost concern. We have well guarded washrooms and there is a continuous surveillance of entire school through CCTV cameras. Also we have GPS and camera tracked transport.

- ➔ We have a **THIRD LANGUAGE** option with Sanskrit, French and German. Our band- Bagpiper enthralls all those who listen to it.
- ➔ We follow innovative techniques especially in the primary school where the students need more care and make a strong base. We extend much gratitude to all the parents for their support in fulfilling our mission of making great leaders of tomorrow. As parents, you are the major provider of your child’s education from birth through adolescence.

➔ **EXPERIENTIAL LEARNING**

The school focuses more on experimental and experiential learning. For this we organize various camps and workshops like Ayurveda and Naturopathy. The school holds debates at inter-class and inter-house levels. Visit to various parks and historical monuments etc.

➔ **ENRICHMENT PROGRAMMES IN PROGRESS**

We believe in continuous development programmes to update the competencies of teachers and students. The school hosts regular faculty development programmes, seminars, workshops on each subject to update teachers’ knowledge and to enhance their teaching skills.

➔ **MUN- MODEL UNITED NATION.**
